THT Construction and Fundraising Update: (Jan—July 2023)

Dear Devotees and Triad Community Members,

We are excited to share the remarkable progress of our temple construction project, made possible by your generous donations. Precast walls are now in production after long lead times, and starting this October, we'll set them in place, a significant step forward. You will see all walls for the temple installed by November standing tall with a support structure. **Our next milestone will be installation of the Temple Roof.** We need your continued support to raise additional **300K** by October to timely sign roof contract. Your contributions are shaping a lasting legacy.

We request your continued donations by participating in these active fundraising drives:

1. Community Loan Program: We kindly request your participation in our community loan program, where community members can lend a minimum of 50K towards the temple for a nominal interest. Your contribution will be returned with interest over the next 10 years, ensuring a sustainable and mutually beneficial initiative. Please contact gsotriadhindutemple@gmail.com for details of Community Loan Program.

2. Family Contributions: 250\$/Quarter We have over 750 active and engaging donors for the temple. We urge every donor to contribute a minimum of 250\$ per quarter for the next four quarters, in addition to contributing to other fundraising drives.

3. Sponsorship Opportunities: We have doubled our Garbhalayam and Upalayam sponsorship slots from previous numbers to enable more to participate.

4. Monthly ACH Drive:

We request families to additionally donate minimum of 30\$/month towards temple loan commitments. Our target is to reach 12K/month.

Our target for the next phase of construction is to raise 1.2 Million by next June. We plan to update you weekly with a Fundraising Barometer and show progress made towards this goal. With your continued support, we can make this vision a reality and create a lasting spiritual sanctuary for generations to come. Let's come together as a united community and contribute to the growth of our beloved temple.

Please contact the fund-raising team for the option that works best for you to avail **Garbhalayam, Upalayam or Sq. Ft Sponsorship** (Link - [Donation Options](#)). All payments can be made one time or multiple payments within the span of 3 calendar years (Link - [Donate Now](#)).
