Dear Devotees and Triad Community Members,

The building drawings were submitted to the county for Building Permit Approval. We are awaiting first round of comments from the county.

As per the invited bidding process indicated in January update, itemised quotes from the three general contractors were sought and received. During later part of January, Construction committee in close coordination with the architect began interviewing the three General Contractors.

We expect to make the final General Contractor recommendation to the community by mid February and award the contract by late February.

On February 1st, A fund raising event 'Incredible Indian History' was organized with 'children only' participation and the fund raising committee successfully received pledge for approximately 20,000\$ during the event.

Regards

Triad Hindu Temple
