April 2020 Construction and Fundraising Update

Dear Devotees and Triad Community Members,

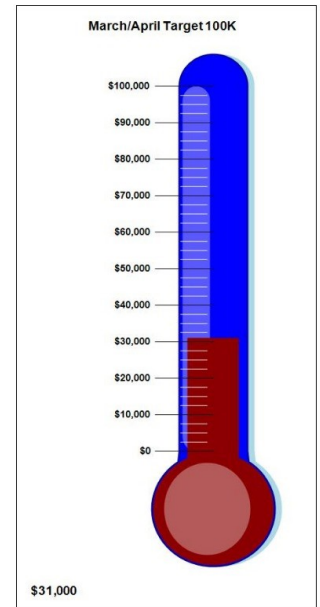

We had a busy month of march towards building our new temple.

Construction Committee is finalizing the details of contract with the builders. Construction Committee is getting the contract from General contractor thoroughly reviewed by an external attorney. All the materials to be used and the cost are under review.

Bank Loan Committee is working diligently towards closing the bank loan. We hope to sign the contract with builders and close the loan simultaneously.

Fundraising Committee organized "THT Construction and Fundraising Updates FB live Event" this month and has successfully raised \$20,000 during the event. Our goal for March/April is 100K through various events and the recent social distancing guidelines has made our task more difficult. Please monitor THT's fundraising thermometer that will be shared weekly with \$31,000 raised towards this goal in March.
