

Triad Hindu Temple

June—August 2021 Construction Update

Dear Devotees and Triad Community Members,

Construction Update:

- Landscape, seeding around the septic tank have been completed. Landscaping around the pond area is under progress. Parking lights have been installed.
- An open metal shelter will be installed that will serve multiple purposes: Havan space, Outdoor Meeting space for Events/Concerts/Festivals, Food Distribution space etc. We invite sponsors for the space.
- A memorial flower garden for Dr. Chopra has been planned since July involving kids and community members. We invite community members to get involved in landscaping activities.
- Phase 2A: Plumbing inspection of drains from altar areas has been ongoing since June. Delays from inspection has pushed out laying of concrete. It is expected to be completed in the upcoming weeks.
- Phase 2B: Order of Precast Panels has been pushed out until sufficient funds have been raised to pay for walls, ordering of supporting steel structures, installation and roof (1 .1 Million).

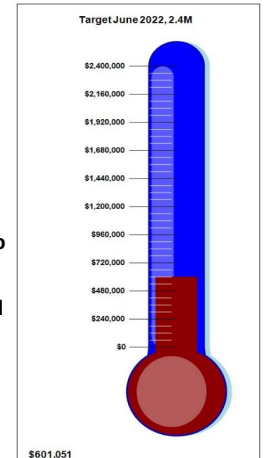

THT New Temple Construction Fundraising Barometer! Donate Generously to Reach the Target and Build your Temple! Pradhana/Main Temple Construction 2.4M Target June 2022, so far raised \$601,051 (*Foundation work \$400K completed) Bhayaban/Altar Temple Construction and Site Development 1.7M completed with Donations and Bank Loan

- Check pictures of progress here. ([Site work](#)) Please contact any construction committee member to request a special tour of your temple construction (Every Saturday at 9 A.M.) The team will be glad to walk you through the site.

Fundraising Update:

- THT board appreciates each and everyone in the community who have been supporting temple construction, without your strong support we would not have reached this state. Please refer the table below to see progress and current status on temple construction and Fundraising. Our next very important goal is to complete phase 2. We request each community member to contribute as much as possible. Your contribution will be used to build a very iconic and monumental temple which will last many generations. It's a once in a lifetime opportunity for you to be part of new temple construction in Triad area. We can accomplish the goal when everyone in community comes together. If we raise another 800K , We have the option of availing 1M dollar loan towards Phase 2.

THT'S CONSTRUCTION FUNDRAISING
