February 2021 Construction Update

Dear Devotees and Triad Community Members,

Construction Update:

- **Building Update:** Construction of Balalayam Interior will be completed by March first week.
- **Site Update:** Site development work was delayed due to rains with final inspections related to well and septic being pushed out due to unfavorable ground conditions. The final asphalt work in the parking lot is expected to start once the ground gets dried. Coordination of site lighting and setting up of storage facilities will be carried out this month. Full Occupancy is expected to be received soon (targeting third week of March).
- **Phase 2A:** Design of precast panels, shop drawings, preparations for foundations and footings will be carried out in full swing for the main Temple Building during this month.

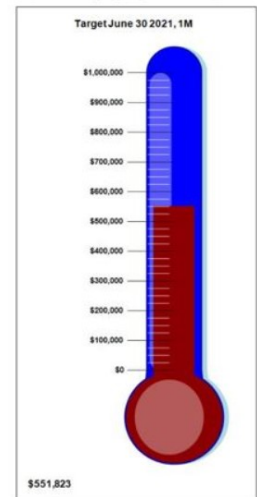

- **Move from 2424 Huffine mill road:** The property was handed over to World of Faith Living Water Ministries. Thanks to all volunteers who helped with the move. Pictures of progress. ([Site work](#))
