June 2020 Construction Update

Dear Devotees and Triad Community Members,

Construction Update:

May 2020 has been an active month on the construction front. The site development activities are in full swing with the completion of construction driveway, surveying and silt fence around the site perimeter. The construction sign board was installed following a puja ceremony by Sarmaaji. Contract was also signed with ECS for construction material testing and special inspection services. Lastly, site clearing, grubbing and sediment pond work are ongoing.

Please check the link for pictures of progress. ([Site work](#))

Fund Raising Update:
