**ACH Campaign:**

As our temple enters a new and sacred phase of completion and Prana Prathisthapana of Deities, we humbly seek your continued support to ensure its long-term stability and smooth daily functioning. We request you to please consider enrolling in a monthly ACH contribution as an act of ongoing seva. Your steady support will help us meet our loan commitments, provide consistent salaries for our priests, and manage the increased operational costs of the new temple. A temple does not thrive on occasional contributions alone—it flourishes when devotees come together through regular, committed support. Even a modest monthly offering, when sustained, becomes a powerful foundation that keeps our spiritual home vibrant, welcoming, and accessible for all.
